Plastic surgeons reveal which stars have the most perfect body parts — and why everyone wants them

Scarlett's
sexy eyes

The women of California are eyeing Scarlett Johansson's perfect peepers! "They fulfill the aesthetic rules of shape and position," says Dr. 90210 plastic surgeon Dr. Robert Rey, who mimics them on his patients with a canthopexy, which angles the corners of the eyes upward like 22-year-old Scarlett's. Price tag: **\$3,000**

Salma's full chest

Salma Hayek, 40, has natural C-cups that are all the rage in New York, says Dr. George Lefkovits, who adds, "She has a nice full shape." For a natural look, implants are placed beneath the muscle. Price tag: **\$10,000**

Ashlee's
perfect nose

After Ashlee Simpson, 22, reportedly had rhinoplasty, look-alike requests started rolling in at the Michigan office of Dr. Anthony Youn. "Her nose is straight and looks realistic," says Dr. Youn. Price tag: **\$15,000**
